

JT Biokinetics Ltd

Coronavirus (Covid-19)

Safeguarding Policy

J T Biokinetics is open for selected face-to-face therapy appointments and we have put the following measures in place to reduce the risk to our staff, clients and to public health.

If you are considering coming for a face-to-face appointment it is essential that you read the following as this is our Coronavirus (Covid-19) Safeguarding Policy.

Treatment Room Capacity and Cleaning

- Appointments will be spaced so that there is a minimum of 15 minutes between each one. This will provide time to change PPE and clean all surfaces with alcohol wipes and disinfectant spray. The room will be aired and surfaces will be allowed to air dry. This includes the treatment couch, all handles, sink, taps, chairs, desks, massage lotion bottles and equipment.
- Disposable, single use couch roll will be used on the couch, cleanable pillows and massage bolsters.
- Clean towels will be used for each client.
- A deep clean of the clinic will be conducted daily and the door left open overnight for ventilation.

Personal Protective Equipment (PPE)

Your biokineticist will wear the following PPE at your appointment.

- Non-latex gloves (single use). When the use of gloves is not appropriate for the performance of treatment, hands will be regularly sanitised with antibacterial gel.
- Apron (single use)
- IIR facemask (single use)

Things to do before, during and after your appointment

We ask you to adhere to the following rules. We will terminate your appointment if you do not adhere to these rules and you will still be liable for the cost of the session:

- Please do not come in if you have not been following the government guidelines for social distancing. If you are unsure of these please follow this link: <https://www.gov.uk/coronavirus>
 - Please complete, sign and return (all online) the **Covid 19 Screening Questionnaire and Consent Form** sent to you in your appointment confirmation e-mail.
 - Please attend your appointment alone where possible, unless you require an interpreter or you are accompanying your child for their appointment.
 - Please arrive as close to your appointment time as possible as currently there is no waiting area.
 - Please wear a mask on arrival and sanitise your hands with the hand sanitiser provided.
 - Please maintain social distancing rules for the parts of your session where it is possible to do so.
 - The doors to the treatment room will be left open to maximise ventilation except when they need to be closed for your privacy.
 - Please note that toilet facilities are not available except in the case of an emergency.
 - Please make all payments by BACS or contactless payments whenever possible.
 - If you develop any Coronavirus (Covid-19) symptoms in the two weeks following your treatment session, please notify us immediately.
-
